BUSSINESS BOOT CAMP

Duration: 3 Full Days

Fee: All-inclusive (training, meals & accommodation) — Starting from 48,000 VT

Take your business to the next level with three days of focused, practical training. This boot camp is designed to give small business owners and entrepreneurs the confidence and skills to grow stronger foundations and make smarter decisions.

Across the program, you'll learn how to:

- Manage finances and cash flow effectively
- Boost visibility through marketing and promotion
- Understand compliance requirements to avoid costly mistakes
- Build systems and processes that save time and stress

Whether you're turning a side hustle into something bigger or strengthening an existing business, you'll leave with a clear action plan and practical strategies you can put into practice immediately.

AGRICULTURE & FOOD BOOT CAMP

Duration: 3 Full Days

Fee: All-inclusive (training, meals & accommodation) — Starting from 48,000 VT

Grow smarter and farm better with this hands-on, future-focused program. Designed for farmers, producers, and agri-entrepreneurs, this boot camp gives you the knowledge and skills to turn your ideas and products into sustainable income streams.

Over three days, you'll dive into:

- Value-added products: how to create goods that stand out and increase profit
- Farm to market: strategies to connect with customers and sell successfully
- Climate-smart farming: practical techniques to adapt, stay resilient, and protect your future

This boot camp combines practical training, expert advice, and peer learning to help you build resilience, improve productivity, and open up new opportunities in agriculture and food production.
